

EUROPEAN STUDIES

Student Representation

We, the European Studies student committee ("Fachschaft"), are the student representatives of the study program in European Studies. Our team consists of European Studies students from all semesters, including Bachelor and Master students. We help students answer questions all around studying European Studies and establish connections between students and members of staff. Aside from **advising students**, we organize the introduction week (from the student's side), a joint Christmas party, a New Year reception, a summer barbecue party and further events.

Additionally, we organize "**taster studies**" for everyone who is interested in getting to know the study program better. You can contact us for more information. A member of the European Studies student committee then takes you to lectures and seminars and introduces you to the daily life as a European Studies student at Magdeburg University.

Are you already enrolled as European Studies student at OVGU? **We represent your interests!** You can contact us any time or swing by one of our **committee meetings**. Usually, we meet every second Monday at 5 pm in the room R.131 in the building G. (odd weeks).

If you have questions, wishes, suggestions or problems concerning the study program, university life, a specific seminar / lecture, our program or anything else; we are happy to help! Do not hesitate to contact us, join one of our meetings and together we will find a solution.

You can contact us via email > eus.fachschaft@gmail.com (<mailto:eus.fachschaft@gmail.com>) any time. To stay tuned on the latest events, updates concerning your study programs and various other topics, you should follow us on our **social media channels**.
