### **Focal questions we will address**

1. **What does the research tell us with regard to women participation in the energy sector?**
2. The EU's gender policy, new dawn or have we reached a ceiling?
3. **What are the politician's attitudes towards Men's Role in Gender Equality Representation?**
4. How could we address the gender imbalance in the renewable energy industry?
5. **How can mentorship help to overcome challenges?**
6. How can we achieve gender equality in the sustainable energy transition?
7. **And so much more!**
